

Little Green Thumbs Passing on the Gift Agreement

Each school participating in the *Little Green Thumb Program* will receive livestock (red wiggler worms), seeds, soil, an indoor grow-kit and training related to horticulture production and vermi-composting.

As a staff member(s) of _____ school,
I (we), _____,
understand that as a participant(s) of the *Little Green Thumbs* project students and teachers will benefit from the resources and training that have been placed in our school.

I (we) hereby agree to pass on the gifts received in the following ways:

- **Pass on worms and compost/castings and vermi-composting training** in an equal or greater share of that received to other teachers, students and community members.
- **Pass on a portion of seeds produced** to other teachers and students.
- **Participate in organizing and carrying-out LGT annual celebration** within my (our) school or school-cluster.
- **Participate in a LGT teacher training** to pass-on knowledge and expertise to other teachers who enter the LGT project.
- **Assist students to share** basic gardening techniques and the importance of growing/eating local food with families, friends, and community members.

These contributions will be made each year that I am a member of the project.
